## Medical Transcription Solutions

## Comprehensive Medical Transcription Services

USAScribe Medical Transcription Services was started thirteen years ago, by our CEO, an Orthopedic Surgeon, with a vision to creating a reliable transcription service that would operate all year round, would provide excellent quality files at a low cost service to doctors, and that would create jobs. Through his vision, today USAScribe services doctors all over the United States who benefit from the excellent quality and service that we provide.

### SOME FACTS ABOUT US

- **SAVINGS:** We will offer you a lower rate (cents/physical line) than what you are currently paying.
- **ACCURACY:** Our record says it all; we generate error free reports and have received zero complaints from our clients for the thirteen years that we have been in operation.
- **QUALITY CONTROL:** Our quality control is rigorous, multi-leveled, and guaranteed to deliver 100 percent accuracy on each report.
- **FREQUENCY:** We work to deliver transcribed files to you 365 days.
- **TIMING:** Voice files uploaded by 9 PM EST will be transcribed and delivered to you by 6 PM EST the following day.
- **CUSTOMIZED WORK:** We can use templates that you provide us for your reports, or we can create new templates for you.
- **SUPPORT:** We have a dedicated IT support team and provide customer/technical service 24 hours/7 days a week.
- **COMPLIANCE:** We are HIPAA compliant.
- **OFFICES:** We have offices in Chapel Hill, NC, Appleton, WI, and in San Francisco, CA. We service doctors all across the US.
